Hybrid National Conference
on
"Information Technology For All"
Friday, 30,April 2021

Time: 10.00 AM to 04.30 PM Indian Standard Time (IST)

Organized by

(Established by Act No. 33 of 2013 Rajasthan State legislatur & approved by UGC under section 2 (F) of the UGC Act 1956)

OPJS University, Churu Rajasthan

Rawatsar Kunjla, Near Sankhu Fort, Rajgarh
(Sadulpur)- Jhunjhunu Road, Churu, Rajasthan- 331303

ABOUT THE CONFERENCE:

In this modern day and age, information technology plays a big role. However, if you're not in the field of information technology yourself, you might not know just how information technology touches your life

As we are aware of Information Technology had its modern existence from late sixties of the last century when the Arpanet was introduced, funded by the department of defence of USA. After that the IT industry has come a long way to its current shape where it is playing a very dominant role in our every sphere of life. It has made revolutionary changes in information gathering and dissemination as well as in global communication. It is creating a virtually paperless work environment. Also we can now send a message very easily to anywhere in the world in seconds. From education point of view we can have a virtual class where the instructor could sit in any part of the world and his students scattered in all different parts of the world through video conference with presentation of study materials as well as question and answer sessions. A doctor now sitting in any part of the world could perform a surgery where the patient is lying in another part of the world. These simple examples show where we stand today compared to what it was half a century back. But as we know nothing in this world is purely good as everything has a dark side. In this paper we would discuss the merits and demerits of implementing IT globally and where we are heading to in future

Information Technology for All (ITFA 2021) invites you to submit abstract and present and share your knowledge, expertise to advance growth of you and the industry. The Goal of this conference is to continuously improve the standards of the National & International community of researchers, scholars, and scientists by exposing them to the latest trends, developments, and challenges in the field of Information Technology.

This Hybrid National Conference designed for the National and International Computer Science and Information Technology community to sharing the latest techniques, best practices and to grow your networks.

Authors are cordially invited to submit **unpublished and original work** through on line paper submission process **on or before 22April** 2021 under following tracks, areas including, but not limited to:

CONFERENCE TOPICS

Track 1: Information Technology in Business

Business agility	IT and Leadership	Remote working using IT Infrastructure
Design thinking using IT	E-Learning	E-Commerce, E-Society and E-Business

Track 2: Information Technology in cloud & Data science

DevOps	Cloud Computing	Infrastructure as Service	Data science
Data Analytics	Data Visualization	Agile Software Development	Software Engineering and Testing
Experiences with Existing Cloud Infrastructure	Services and Uses	Software Security & Risk Management	

Track 3: Information Technology in Healthcare

Health informatics	IT in Healthcare Devices	Image Processing,
Biomedical Engineering and Bioinformatics		

Track 4: Information Technology in Electronics and Computer Networks

Game Theory and Wireless Networks	Fuzzy Logic and Circuit Designs	Satellite and Space Communications	Computer Systems and Networks
Reliability Engineering and Fault Tolerance	Remote Sensing & GIS	Mobile and Ubiquitous Computing	Wi-MaX

Track 5: Information Technology in Machine learning and IOT

Artificial Intelligence and Soft Computing	Natural Language Processing	Virtual and Overlay Networks	Voice and Video Communications Systems

Track 6: Information Technology in E-Agriculture and Metrology

IT Applications in Agriculture	E-learning, Interactive Systems and Web-based Farmer Education
E-Business, E-Commerce, E-Sales, E-Marketing and E-Services	Efficient Irrigation Technologies and Water Quality Monitoring

Track 7: E-Commerce, SME, MSME

Who should attend?

We welcome interdisciplinary approaches and proposals presented by IT scientists, Academicians, Faculty Members, Research Scholars and student, Business Professionals, Senior Level Managers, Executives , Practitioners in Business and Non-Profit Organizations, Policy Makers, Entrepreneurs, Enterprising Youth, Industrialists, Consultants, It Industries and agriculture scientists etc.

> ➢ Students/researchers, scholars are especially encouraged to attend and present their research work in this field.

Abstract Submission:

If you wish to be a speaker/ Presenter at the virtual conference on Information for All register now & send your abstract to ……………………………………….
Kindly send your abstract within 300 words at:

rdseminarpb@opjsuniversity.edu.in

Awards of Excellence:
- All the registered participants will get the participant certificate
- Mementos and certificate of excellence will be awarded for best three papers

IMPORTANT DATES
Last date of Abstract Submission – 22th April 2021

Last date of Presentation Submission – 25th April 2021

WHY ATTEND

- Chance to meet Professional Experts Virtually
- Networking Opportunities for your Business
- Increase Productivity & Growth of your Business
- Awareness Latest Technology & Innovation

PROMOTION & SPONSORSHIP OPPORTUNITY

This event will help you to promote your business globally. Also help to grab attention of national and international audiences toward your product & services. For sponsorship opportunity we request you to contact us. We have different sponsorship packages starting from Rs10000/-

DELEGATE FEE
Indian Delegate – Rs3000/-

Indian student/Teacher Delegate – Rs1000/-

Foreign Delegate – 20 USD

Online Payment: Details OPJS University
DD in favor of "THE OPJS UNIVERSITY" payable at Churu, Rajasthan / Online Payment Through:

BENFICIARY NAME:	**THE OPJS UNIVERSITY**
ACCOUNT No:	**2181218231497462**
Bank name:	**AU SMALL FINANCE BANK**
Branch District:	**Churu Rajasthan**
IFSC:	**AUBL0002182**
FEEL FREE TO CONTACT:	**7726009702/03/19**

CHIEF GUEST:

Dr. B. RAMASWAMY
HONORABLE VICE CHANCELLOR
O.P.J.S. UNIVERSITY, CHURU(RAJ)
EXPERT COMMITTEE MEMBER, UGC, GOVT OF INDIA
MEMBER -ARIIA, AICTE , MINISTRY OF EDUCATION , GOVT OF INDIA.

Committees:

Advisory Committee:

- Dr. S.C. Tyagi
  Pro Vice Chancellor
- Dr. Harpal Singh
  Registrar
- Dr. M.C. Kashyap
  C.E.O.

Organizing Committee:

- Chief Parton: Dr. Rakesh Sehrawat (Chancellor/Chairman)
- Parton: Dr. Arvind Chuadhary, Director Trustee
- Organizing Secretary: Dr. Pawan Dhasmana, Dr. Santosh Kumar Mishra
- Dr. Surender Pannu: Public Relation Officer
- Stage Committee: Dr. Rajendra Singh, Ms. Sapna
- Conference Conveners **:** Dr. Jaibir Singh, Dr. Deepak Dalal
- IT Committee: Mr. Monu Malik, Mr. Ankit Hooda

Editorial Board:

Dr. Rohit Sarswat
Dr. Deepak Dalal
Dr. Suman Bishnoi
Dr. Kalpana Midha
Dr. K.P. Singh

OPJS University is established under the act 16 of 2013 made and promulgated on 2nd Day of August, 2013 by Hon'ble Governor of Rajasthan State. This University is spread over 32 Acres of land surrounded by Aravali Hills in pollution free, lush green and eco friendly environment. We have taken utmost care not to disturb the ecological balance of the area due to erection of buildings and other infrastructures. Equal importance is also given to the flora and fauna of the area. The overall environment of the university is conducive to education as it is far away from the humdrum, and the fret and fever of the modern life. We have developed the campus in such a manner that a student need not go outside the university campus for his/her daily needs. Keeping in mind the geographical and topological conditions of the area in mind, we have developed our building where much emphasis is laid on energy saving and water harvesting

Library is the power house of wisdom and the backbone of an institution, we boast of having a central library stocked with around one hundred thousand books with more than 20000 titles and reference books. The whole campus is Wi-Fi enabled with ultra modern smart classes for efficient and effective teaching. We have also assessed the importance of communication skills as our students especially from rural background found themselves on back foot when they come face n face with the competitors from urban background. To make them more verbose, a language lab is set up with a capacity to accommodate 150 students at a time. As we are committed to provide quality education to the deprived, we will not leave any stone unturned to achieve this mission.

CONFERENCE SCHEDULE:

Time of Registration	9.30 to 10.30 AM
Opening Ceremony	11.00 AM
Speech of Chief Guest	11.20 to 11.30 AM
Subject Open Speech:	11.30 to 11.40 AM
Paper Presentation:	11.40 to 1.30 PM
Chair Speech:	1.30 to 1.45 PM
Lunch:	1.45 PM
